The Future of the Law Institute Needs You!

Did you know...

We want *you* to be the next generation of lawyers, judges, court staff and other legal professionals.

And...

You have the talent to make it happen. We'll show you how others have pursued a career in the law.

There is no cost to participate in this program!

During the FLI program year you will:

- Participate in workshops and a mock trial, have lunch with judges, meet attorneys and law students, and hang out with other students interested in the law.
- Take field trips to see our legal community at work
- Become eligible for competitive summer internship opportunities in courtrooms and law firms.
- Become eligible for a **college scholarship** when you enroll in a community college, vocational school, or four-year college or university.
- You may also be eligible for a **law school scholarship** upon law school acceptance.
